

# COMPARISON OF ADMINISTRATIVE EXPENSES

Foundation Source is the nation's largest provider of support services for private foundations. We provide full administrative support, compliance monitoring, grant administration, tax return preparation, philanthropic advisory services, board meeting support, strategic

planning, and more. And it's all available for less than it would cost to hire staff or consultants to deliver the same level of support. We help ensure that clients are well within, and usually below industry norms for foundation operating expenses.
